## **Axis NJ, a Power-Flo Technologies Company, Joins TMEIC's Value-Added Reseller Network**

Experience in the region will enhance TMEIC's presence in the North-Eastern U.S.

---

TMEIC Corporation (TMEIC) is proud to welcome Axis NJ, a Power-Flo Technologies Company (PFT), to join its growing list of Value-Added Resellers. Axis NJ is a high-tech distributor specializing in automation, drives, motion control, machine vision, machine safety, and robots. Headquartered in Somerville, NJ, with a branch office in Long Island, Axis NJ has been covering Metro New York and New Jersey for over 30 years.

"We are excited to welcome the Power-Flo Technologies consortium to our Channel Partner Program. Their presence in the Northeastern U.S. aligns with our strategy to grow our sales and service network with quality partners in key geographic areas," said Marty McDonough, TMEIC Channel Partner Manager. "They are a well-established and respected organization, and adding TMEIC solutions to their portfolio will allow them to increase their value-added offerings to the industries they serve, as well as expand their footprint in new markets. The combination of PFT's automation, engineering, and integration expertise with TMEIC quality products, vast application engineering experience, and project execution is a win-win for our clients."

Power-Flo Technologies (PFT) is a unique Family of Companies consisting of distributors, fabricators, manufacturers, and motor and pump repair firms serving the New York metropolitan and New England areas. Power-Flo Technologies' network offers a range of products from items such as wiring devices, fittings, and light bulbs to more specialized items such as motors, computerized industrial controls, programmable controllers, and custom panels. PFT also specializes in the sales and repair of all types of motors, pumps, and water systems.

"Power-Flo Technologies is unique in its multi-faceted approach of providing services, supplies, and solutions for our customers' projects from conception to completion, by offering in-house engineering and support solutions," says Jerry DiCunzolo, Owner and President of Power-Flo Technologies. "Our breadth of supplies, service, and solution offerings will add value to the TMEIC Medium Voltage Drives products! Our Salespeople and Engineers in our ten locations throughout N.Y., NJ, and New England look forward to adding TMEIC quality products to our portfolio."
