
TMEIC to Exhibit at Intersolar Europe 2019 Announcing New PV Inverter for the Global Market

Toshiba Mitsubishi-Electric Industrial Systems Corporation (hereinafter, "TMEIC"; President & CEO Masahiko Yamawaki) will exhibit a new outdoor 1500Vdc PV inverter for the global market at Intersolar Europe 2019 organized by Solar Promotion GmbH to be held from May 15-17, 2019 in Munich, Germany.

This will be the first public showing of the new 1500Vdc PV inverter, which boasts a common platform for the dual applications of solar power generating system and energy storage system (ESS) using storage battery. The new type of PV inverter, which is compliant with IEC and UL standards, realizes the world's highest level of power conversion efficiency and enables the building of optimal system befitting the size of each power station.

Intersolar Europe is a leading exhibition for the global solar industry and this year is expected to attract 1,300 exhibitors and over 50,000 visitors. Please be sure to visit the TMEIC booth if you come to the exhibition.

1. Exhibition	Intersolar Europe 2019 * For more details, see the following website www.intersolar.de
2. Venue	Messe München (Munich, Germany)
3. Exhibition period	May 15-17, 2019 (3 days) ◇ May 15 (Wednesday) 9:00~18:00 ◇ May 16 (Thursday) 9:00~18:00 ◇ May 17 (Friday) 9:00~17:00 * For more details, see the following website. https://www.intersolar.de/en/for-visitors/exhibition/quick-facts.html
4. TMEIC booth	Hall B3; Booth No. 330
5. Main products displayed	<ul style="list-style-type: none"> ● PV inverters <ul style="list-style-type: none"> ➢ SOLAR WARE 2220 / 2550 (monitor display) ➢ New PV inverter (Actual device) ● Energy storage system (ESS) (Model display)

Note: "SOLAR WARE" is a trademark in of Toshiba Mitsubishi-Electric Industrial Systems Corporation in countries including Japan, EU, U.S.A. and India.
